Re: Baker Barrios Architects new office space

Dear James and Bobby:

We would like to express our sincere thanks for your help in the completion of our new office space. Your assistance and generosity was greatly appreciated. The conference tables look great! We have received many compliments on them thus far. We are so grateful for the generous discounts that you arranged on our behalf. We really enjoyed working with you and look forward to many more successful projects together.

Sincerely,

**Baker Barrios Architects, Inc.**
